MISS VOLQUARDSEN TO WED LIEUT. RAHM

Only Daughter of Pioneer Residents To Be Bride of Prominent New Yorker

Miss Helayne Volquardsen, only daughter of Mr. and Mrs. D. Volquardsen, prominent pioneer family of Sonoma and Napa counties, is to become the bride of Lieutenant Gustav E. Rahm, whom she met during the war while he was Chief Engineer on the Turnate with her brother in the government service. While no date for the wedding has been set, the fortunate young man who is to claim this accomplished girl as his bride, arrives from Galveston, Texas, this week, when more definite plans as to the wedding will be decided upon.

Lieutenant Rahm is a New Yorker and saw gallant service in the Navy all during the war. He is at present on the S. S. Elkhorn, which plies between Galveston, Texas, and French ports.

Miss Volquardsen is a girl of amiable disposition and exceptional domestic accomplishments. Her exquisite taste is revealed in the hope chest which is the envy of all her young friends.

The engagement ring which Lt. Rahm will bring his bride to be comes from Antwerp and is a rare work of art.

While here from Galveston, the young navy man and his fiancee will be the center of much social attention several affairs having already been planned by Berkeley and San Francisco relatives and friends.

The news of Helayne Volquardsen's engagement will be received with great happiness in this part of the state for she has endeared herself to many friends, both old and young.

Mr. and Mrs. Arthur Carmer are the proud parents of a baby girl born on July 5th.

A party of Sonoma Boy Scouts went to the Russian River for a camping trip over the Fourth. Wm. Rambo arranged the outing for his son and the other Scouts.

AGUA CALIENTE MAN FALLS TO HIS DEATH

Ed P. Dunkel Took Misstep On Cottage Porch and Fractured Skull, Resulting In Death.

Ed P. Dunkel, an employee of Sal Carlo at Agua Caliente, met with an accident Fourth of July night which caused his death, when he fell from the porch of his cottage.

He had started to retire and while making his way to his room, fell over the balustrade a distance of 25 feet, and fractured his skull. He was rushed to the Crane Sanitarium, where Doctors Thomson and Hays operated upon him, but the fracture at the base of the skull caused cerebral hemmorrhage from which he died.

Deceased was 55 years of age and was a genial man who had made many friends here. His only known relative is a nephew. The funeral will be held from the Bates undertaking parlor tomorrow.

Coroner Phillips held an inquest in the case Thursday, the verdict of the coroner's jury reciting the cause of death as the result of an accidental fall.

NATIVE DAUGHTERS WILL GIVE BENEFIT DANCE

The Native Daughters are arranging a benefit dance for Sonoma Parlor. It will be held at Union Hall on July 22nd. As the fair Daughters are exceptional hostesses, they may be expected to have a fine crowd. Various committees are at work and will report at a meeting Monday night.

FIREMEN'S BALL AT FETTERS TONIGHT

The Boyes Springs and Valley Fire Men will give their first annual benefit ball tonight at Fetters Theatre. Help the boys who are always ready to help you.

REPUBLICANS BACK HOWARD FOR CONGRESS

District Leaders Decided Saturday On Lake County Man to Oppose Clarence F. Lea.

Euvelle Howard of Lakeport is to receive the support of the Republican party in the coming primaries.

This was decided at a caucus of First Congressional district Republican leaders at Santa Rosa Saturday afternoon.

With the names of two candidates before them, Charles E. Bodwell of Lakeville and Howard, the meeting went into executive session shortly after 3 o'clock.

Two ballots were taken by the executive session. The first showed five ballots for Howard, five for Bodwell and one blank. After almost an hour's discussion, the caucus took another vote, ending in Howard's favor. Another ballot made the decision unanimous.

Bodwell congratulated Howard and pledged his support.

Raymond Benjamin, Republican state committee chairman, called the meeting to order at 2:15. He commended the spirit of both Bodwell and Howard, in agreeing to have their candidacies settled at a party caucus. Benjamin made suggestions for procedure and then yielded the chair to Judge John L. Childs of the Del Norte county committee. Senator H. C. Nelson of Humboldt county was named secretary.

In a letter to the convention, E. Forrest Mitchell, former prohibition director, withdrew his candidacy from consideration, stating that private and business affairs would force him to give up the race. Mitchell resides in Belvidere.

"We have made one mistake in calling this meeting. We did not consult the Democratic party nor the local Democrats before we considered convening. I notice that one man who has signed a published article as a Republican, objects. No doubt he is

BALL AND PROGRAM USHERED IN FOURTH

Sonoma Folks Celebrated at Fine Party at Union Hall On Fourth of July Eve.

The Fourth of July eve ball and midnight revue given at Union Hall last Monday night under the talented direction of Madame Maerilla was a big success. The hall was crowded with dancers and merry makers who came to celebrate the approach of Independence Day and to rally around the flag on the eve of the national holiday.

The hall had been beautifully decorated with the national colors, the lights softened with red lanterns and the stage set artistically for the splendid orchestra which Madame Maerilla is building out of Sonoma Valley talent.

Dancing began at 9 o'clock and shortly before midnight the charming director made a spirited appeal to those gathered in the hall to join in the patriotic grand march and the singing of the national anthem. The orchestra then rendered a patriotic overture which showed much fine ensemble work and demonstrated thoroughly that Sonoma's new musical organization is one of which this community may well feel proud.

As the strains of Dixie died away and America was played, a handsome flag was dropped from the center beam of the hall, the Stars and Stripes revealed in all their glory, while the audience sang the Star Spangled Banner. Uncle Sam and the Goddess of Liberty, impersonated by Roy Bill and Mrs. Ethel Johannsen, then led the grand march around the hall, while the dancers fell in line and rallied around the flag in spirited fashion.

Following this splendid patriotic demonstration, an entertaining program was put on. Madame Maerilla suffering from a heavy cold, gave the brilliant solo number, Carissima, under great difficulties, and was unable to respond to the encore accorded her. Her pupils, Mrs. Johannsen, soprano, and Miss Arrieola, danseuse, were enthusiastically received in solo numbers. The comedy sketch put on by the Madame and her son, Eugene Free, in black face, scored a decided hit, the clever team presenting an act which they put on some seasons ago on the Orpheum circuit. Following the midnight revue numbers, dancing continued until after 2 o'clock.

Much credit is due to Madame Maerilla for her untiring efforts in giving Sonoma this only patriotic program and festivity the community had over the Fourth of July. She desires to thank the many who assisted her in the work of arranging for it all on such short notice and appreciates the co-operation of local musicians, city officials and others. Particular thanks are accorded H. Harold Hunt, former theatrical man, but now a local realtor who acted as stage manager and arranged for the flag display and other features.

Henry Newman of Boyes has been very sick at Cranes Sanitarium for several weeks.

WANT SONOMA VALLEY PEARS AT STATE FAIR

County Board of Trade Asks Co-operation of Business Men to Advertise One of Leading Products.

Sonoma Valley's fame as the grower of Bartlett pears has led to a request from the Sonoma County Board of Trade that Sonoma Valley put in a pear exhibit at the state fair. The county is planning one of the finest booths ever attempted and wants Sonoma Valley to join in the work of advertising our wonderful orchards. It is suggested that a bevy of fair young ladies from the Valley of the Moon go to Sacramento on Pear Day at the Sonoma couunty booth and distribute the fruit which is the pride of our valley.

The matter has been taken up with the Sonoma Businessmen's Association and the Valley of the Moon Chamber of Commerce. At a meeting of the Businessmen Wednesday, the following letter from the Sonoma County Board of Trade was read by Secretary Charles LaTorres:

Santa Rosa, June 29, 1922.

Chas. LaTorres, Sec.,
Business Men's Assn., Sonoma.

My Dear Mr. LaTorres:—

I regret that we did not have the pleasure of your attendance at the meeting of the Commercial secretaries yesterday. The plans for the state fair exhibit was discussed at length and would indicate that it will be the best and largest ever attempted by the county.

All parts of the county are a unit in assisting and we hope that your district will be, too. With the co-operation of the Valley of the Moon Chamber of Commerce we are going to ask you to supply the pears needed to make a good exhibit. If you see your way to do so we would appreciate having a number of the young ladies from the district distribute pears to the public one day. Sebastopol will give away apples one day, Petaluma eggs, Healdsburg prunes, and each district something.

This is a matter I will take up with your organizations if they desire and assist in making up the details. Sonoma Day will be designated Pear Day. Two months seems time enough to make all of the arrangements necessary to get lots of publicity. Will your organizations go into it?

Please confer with the secretary of the Chamber of Commerce and have the two organizations work together on this plan.

Very truly yours,
H. J. WATERS,
Secretary.

Other business which came up before the Sonoma boosters Wednesday evening were the endorsement of the plan to advertise Sonoma as a desirable residence place in various Middle West papers. Advertising is to start at once in the Kansas City Star and will be paid for by the Sonoma Business Men's Association.

M. MILLERICK GOES TO HIS REWARD

Death of Old Resident of Schellville Is Mourned By Many Friends and Relatives.

M. Millerick, old and respected resident of Sonoma county, passed away at Providence Hospital, Oakland, on Tuesday, where he had gone in the hopes of getting relief from the illness which caused his death. He had been quite sick at his Embarcadero ranch for some weeks previous to his passing.

Mr. Millerick was the father of a large family, the famous rodeo stars, Millerick brothers, Thomas and John being his sons. He was also the father of Dr. George Millerick, the veterinarian, the late James Millerick, and Mrs. Jensen of Berkeley. He also leaves a widow, Catherine Millerick, to mourn him.

Mr. Millerick had many sterling qualities and believed in the golden rule. He was a practical Christian and devout member of the Catholic church throughout his 70 years of life.

The funeral took place from St. Vincent's church in Petaluma Friday morning, interment being in the family plot at Petaluma. Many Sonoma Valley friends attended the last sad rites.

Every citizen ought to register and vote. You cannot vote unless you register. This is the last month.

Nathan Cantor of San Francisco, formerly owner of Rosenthal's Resort, is registered at Fest Farm.

Tom Sperry, university student at Berkeley, is on his annual vacation in the wilds of the O'Brien ranch.

P. H. McCarthy, and family spent the holidays at their residence in Sonoma Vista, from San Francisco.

Joe Chelini, Mr. and Mrs. B. Gatto of San Francisco were guests at the Chelini home over the Fourth of July.

Peter Zampa of Alameda was here Sunday, a guest of relatives. Pete has a new gas machine and is making a hit.

John Serres Aguua Caliente politician and oil king, was here Monday inquiring into the political welfare of this city.

George Gale and H. Hiser, two rising young business men of Sonoma Valley transacted business in Vallejo last week.

Fred L. Wright, formerly county clerk, but now an insurance agent in Santa Rosa, was here on business one day last week.

Chas. Spindler, former El Veranoite, but now in the insurance business in San Francisco was here on Tuesday renewing old time friends.

Frankie Denny, Oakland's rolly-poly boxer, was here recently having fought a draw with clever Jack Reeves and is now in line for championship honors.

Chas. Danieli and wife of San Francisco were here Sunday, guests of Mr. and Mrs. Chas. Danieli. He is a clerk in a large rubber concern in the metropolis.

Valentino Chelini, 27, and Anna Anasona, 18 of San Francisco, took out a marriage license last week and were married at Santa Rosa. Mr. Chelini is a brother of A. Chelini of this place and his bride is a most beautiful young lady. The couple are spending their honeymoon here and their many friends are showering congratulations on the newlyweds. They will reside in San Francisco, where the groom holds a responsible position with Ghiradelli's Chocolate Co.

El Verano was crowded over the Fourth of July with summer tourists, and all enjoyed themselves and were well pleased with the reception they were given during their stay here.

This is the last month in which you can register. Everybody should get on the great register in order to vote at the primaries. Tom Mullen is registering at Mullen's Store, El Verano.

Last Friday evening a Ford car turned over at Main's corner, Verano. Young Stillings was at the wheel, and with several San Francisco joy-riders escaped injury. The car was badly wrecked.

Our old friend, Willie Meehan, ran into Billy Miskers famous haymaker Fourth of July eve in the east. Two minutes was all the former idol could stand. This was Willie's first knockout in his long ring career and he says he is now through with the boxing ring.

T. F. Rowland, superintendent of the western division, Resident Engineer Porter and other officials of the S. P., were over the Santa Rosa division last week on a tour of inspection.

The many voters and supporters here are glad to learn that Congressman Clarence Lea will be here from Washington about July 15th, and will personally see the voters of this district. Mr. Lea is a large property owner of Sonoma Valley.

Last Saturday evening while Pat and Bill Wyatt and T. McCormick of San Francisco were on a joy ride the car, which was driven by A. Skiff who did not know the road, hit a tree near Vincent's market and turned over into a deep ditch. The occupants were badly scratched and the car was a total wreck.

Two more specials from Eastern states passed through here last week and on board were lumber-jacks enroute to the wilds of Eureka to work in the lumber camps. All these huskies have weak minds and strong backs and there is little doubt as to their ability to fill the vacant positions in the lumber camps.

Agua Caliente Springs was crowded Sunday with pleasure seekers and bathers. Charley Miller seemed to be the popular and busiest man at the bath house, and his courtesy was much admired by the fair ones from San Francisco, who all would like to call big Charley their sweetie. Mr. Miller is now doing light training, with a view to a match with Jack Dempsey.

Last Saturday evening Frank La Haye, Beau Brummel of San Francisco, rushed into our local barber shop for a hurried slick-up, explaining he had a date with a beautiful summer fairy and was in a hurry. Frank, waiting his turn, fell to sleep in a chair and commenced snoring, but was not disturbed until the wee hours of the morning. Upon awakening he wanted to know where he was and what the time was. He was much disappointed and called for his shave next morning. Frank neither kept his date nor attended the ball, and in explaining himself, acknowledged that he was getting old, and was considering stepping aside ad giving the younger fellows a chance.

COUNTY OFFICIAL IN TOWN

Dr. Frank Phillips, candidate for re-election to the office of coroner and public administrator, was in Sonoma Wednesday and had the pleasure of hearing how eagerly his nomination papers were signed by friends and admirers. The doctor is one of the most energetic and competent officials Sonoma county has ever elected and will be returned to office with a handsome vote.

Will Clements and V. Visholt of Sunnyvale were here over the Fourth. Mr. Clements reports his ranch in Santa Clara Valley as yielding a big crop of cherries this year. Prices were excellent due to the shortage of this crop in other cherry growing localities.

The Bridges children, accompanied by their grandfather, went to Southern California last week where they will spend the summer with their father. Their grandfather returned to the Soldiers' Home where he will again take up his residence.

PIGMY MANAGEMENT OF GIGANTIC COLLEGE CAUSES TROUBLE

What is wrong with the University of California? This immense educational institution has grown by leaps and bounds until its student body is the largest of any in America. It this year graduated the largest class ever turned out by a university. It is a colossal state project, but alas, it has no head and the problem to find a successor to President Barrows, resigned, seems very difficult of solution. That capable educational executives are available is apparent, but perhaps men of the right breadth and capacity hesitate because they see what is apparent to others, namely, that the institution has grown unwieldy, top-heavy with students and has not adjusted its academic foundation to properly uphold, support and carry on the great present day growth. The regents have thought only of housing and equipping to take care of the increased attendance, whereas the bigger, more vital problem which now menacingly looms is that of administration for the administrative problem of the Berkeley of today is far different from that of the college which 20 years ago centered about North and South Hall.

The warning of bolshevism within the institution should not be taken too seriously, perhaps only to the extent that mentality and intellectual precocity grow rank where overtrained. Overcrowded classes, too little contact with the right kind of professors in the faculty, feeding up on esoteric philosophy and too rich an intellectual diet predisposes to an attitude of mind which is readily mistaken for bolshevism and may prove a fertile field for wild, exotic seeds to germinate.

That all is not healthy in the life of the university and indicating that it is getting beyond the control of a proper governing force is apparent from the publicity which has come out of U. C., particularly during the Barrows regime. On rare occasions since the death of the scholarly and human Professor Morse Stephens, have we read much of the scholarship records and superior educational attainments and advantages of our University. A rare and unsurpassed historical collection, prided by Berkeley as superior to any in existence was by chance featured on the first page of the big newspapers. The majority of news from our University has been of the athletic, jazzy sort, just the kind to attract a frivolous student body and that it has paid to so advertise seems apparent.

But has it paid? The University has grown too unwieldy for the old time control and adverse criticism continues to arise from the featuring of one cross section of college life. The Argonaut of San Francisco has not minced words in its condemnation of exaggerated Greek poses and college girl dancers. The average taxpayer of California feels about like The Argonaut.

We believe this featuring of the extreme and exaggerated phase of student life should not be tolerated because it is not a truthful reflection of the serious purpose which really exists and dominates at Berkeley. That publicity of the sensational type is permitted goes to show that no one has the University in hand and has not had for some time.

President Wheeler's conservatism saved the situation somewhat. President Barrows realized his utter inability to handle the reins and resigned. Where does relief lie? We believe in prompt action by the Board of Regents who must re-adjust the whole admnistrative foundation of the college to take care of the growing family. The homely nursery tale of the old woman who lived in a shoe and had so many children she didn't know what to do is applicable to our wonderful home of the Campanile. Much of the faculty is too old womanish to be virile, the big institution does not fit the shoe designed for the understanding of a smaller college and there are so many students that it is hard to hire an executive big enough to manage the big family. Let us hope someone will be found to lead the way out of the wilderness and that the state university will take the place which it can and should attain among the foremost colleges of the world.

At last the Republicans of the First Congressional District, represented by the chairmen of the various county committeemen of the eleven couunties comprising the First District, have concentrated on a Republican candidate to send to Washington. Although the Democratic press criticizes this method of nomination it is very apparent why. The primary method where the dear people are supposed to nominate someone results in "confusion worse confounded" with the result that even Democrats get Republican votes and thereby slip in and stay in. Cognizant of the outcome of the usual Republican scramble many Republicans during the past four years have voted for Congressman Lea, who was the nominee of both parties and a conceded winner, withal a Democrat. Now that the Republicans have eliminated other candidates and endorsed Euvelle Howard to redeem the First District it will be another story. President Harding and the California United States Senators and other Republican Congressmen representing California districts in Washington are much concerned about the First District's political complexion and will do all they can to defeat the plans of designing Democrats to capture the Congressional plum again this year. It was for this reason that Chairman Raymond Benjamin got the various Republican factions together at Santa Rosa last Saturday and named Euvelle Howard to wrest the toga from Clarence F. Lea, Democrat. That they are both going to the bat is already evident.

"Pussyfoot" Johnson is trying to tell England that national prohibition in America is a money-making proposition for our government. Pussy is off on the wrong foot. Prohibition is a money-maker for the bootleggers and no one else. The Atlantic Monthly recently gave a comprehensive statement of the great loss of revenue to our government from the enactment of prohibition. Not less than $400,000,000 at a minimum estimate were the figures given. Municipal policing cost alone has increased to $50,000,000 since officers have been catching liquor violators instead of criminals. Canada has increased its import of liquor from $2,000,000 in 1919 to $34,000,000 in 1921. In 1921 the federal, state and city government were deprived of approximately $472,000,000 of revenue derived from liquor and appropriated $2,500,000 for inadequate enforcement of prohibition laws. Altogether, the federal government is said to have been deprived of the larger part of $1,000,000,000 of revenue as a result of national prohibition. Pussyfoot can tell England what he pleases, but the figures of the fiasco we are witnessing in this "dry" country of ours tell a tale which staggers the most ardent reformers.

Judge Emmet Seawell, candidate for the State Supreme Court, has no accumulated wealth, but he is rich in possessions alongside of which money is indeed trash. He is rich in friendships, begot by his evident spirit of justice and nobility of character. He is rich in a conscience which many rich men might well envy. Such a man the people of California will place in the State's high temple of justice at the coming election, for he is already enshrined in the hearts of countless admirers who want all the people who revere their institutions or may come in contact with our high courts to have the benefit of the talent and character of such a man as Judge Emmet Seawell.

"The only thought I have in seeking to be Governor is to be elected and then make good on the job," says Friend W. Richardson. We know he will.

FIRE MENACES CALIENTE PARK ON THURSDAY

A fierce brush fire burned over about ten acres of property in Caliente Park Thursday but all homes in the path of the blaze were saved, through the prompt arrival of the Boyes Springs and Valley fire department. The local fire boys also responded and the splendid work of the departments stopped the progress of the flames into the hills.

Other fires during the past week kept Chief Cause and his boys on the jump.

Saturday night the overturning of a kersene stove in a cottage at Caliente Villa caused a lively blaze which the Valley Angel extinguished.

A grass fire at the Otto Brandt ranch brought the Boyes engine to Schellville Monday. Damage, nominal.

Tuesday night an exploding coal oil stove started a fire in a cottage at the Cazes place. The chemical put it out. Damage, $50.

Mr. and Mrs. R. A. McCleskey and daughter, Adeline, who drove their Ford all the way from New Mexico, have arrived in Sonoma Valley and are visiting their son on the H. F. Bates ranch. The McClesheys are farmers and may locate here permanently if they can find a small ranch. They are very favorably impressed with the Sonoma Valley.

REPUBLICANS BACK HOWARD FOR CONGRESS

(Continued from Page One)

a Lea Democrat," Benjamin stated.

Bodwell was called on to state his stand on Republican principles and his platform, if nominated, and replied as follows:

"I feel that we are going to put a Republican in Congress at the next election. I am glad to see such a representative gathering here today. It shows an awakened sentiment of the party. In the last election, the vote split and Lea obtained the nomination. I believe in party government. No man can represent a Republican party, a Democratic party, an autocratic party and a socialistic party. One man cannot represent two sides to a question."

Bodwell's platform related to tariff, American banking in foreign countries, credits, reclamation and irrigation aid, veterans' bonuses, an adequate army and navy and other principles.

Howard's talk was very brief. He pledged his support to the administration.

In a stirring speech to the session, A. H. Spurr gave his administration to Howard as a hard worker and a man who could be depended on to win. He has never entered anything that he has not won, Spurr told the caucus.

The caucus then went in executive session, resulting in their endorsement of Howard. The following resolution was adopted:

"Whereas, after ample opportunity given for the purpose, only two Republicans have announced their desire to seek the Republican nomination for Congress from the First Congressional District of California, and, in a most commendable spirit, both candidates expressed a desire not to complicate the issue by both seeking the nomination, and requested the chairmen of the eleven Republican county central committees of the district to say which candidate is the strongest in their opinion; and

"Whereas, the eleven chairmen (acting solely on such request) have unanimously expressed their opinion that Euvelle Howard of Lakeport, is the proper candidate, and C. A. Bodwell has accordingly withdrawn from the contest.

"Be it resolved that the Republican voters of the district be urged to support M. Euvelle Howard, the only Republican in the contest for the Republican nomination."

Present at the caucus were:
E. B. Martinelli, Marin county.
H. C. Nelson, Humboldt.
M. H. Jellison, Colusa.
H. D. De Gaa, Glenn.
H. W. A. Weske, Sonoma.
Chas. Mannon, Mendocino.

ELECTRIC SIGN MAY POINT WAY TO VALLEY OF MOON

An electric sign on the highway at the intersection of the main road and the Black Point cut off at Ignacio will let motorists know both day and night just how to get into the Valley of the Moon if the plan of the Valley of the Moon Chamber of Commerce is successfully carried forward. With the completion of the surfacing of the Black Point road and the extensive advertising of the Redwood Highway traffic will be unusually heavy and it is desired to let all travelers know just where the famous Valley of the Moon lies.

A committee is now in touch with the power companies in regard to the cost of maintaining an electric sign. When the cost is determined the financial side will be taken up by local organizations.

Lawrence Sebastiani, who has been in the University hospital in San Francisco for the past three months, expects to return home the last of July when his limb will be out of the cast. His mother went down to see him this week and was assured by the doctors that the boy will be entirely well, his hip having been most successfully treated.

"She Has Metatarsalgia"

This is a very prevalent foot trouble, especially among women. Metatarsalgia is caused by the arch across the ball of the foot breaking down, which displaces the tiny bones. Callouses form on the sole, soft corns develop between the toes and excruciating pains occur in this region. The foot spreads and the shoe loses its shape.

To secure quick relief and restore the foot to normal condition

COST MONEY TO RING FIRE BELL IN SONOMA

Three Fourth of July celebrants, imbued with the spirit of Independece Day, sallied forth from a convivial party early Tuesday morning and finding things too quiet in Sonoma, proceeded to drive their joy wagon through the plaza and up to the city hall where the "cosmic urge" impelled them to pull the rope and ring the town fire bell. The clarion call had just reechoed clear and strong throughout the town and the celebrants were just reflecting how much like the Liberty bell it all sounded, and how they were really burning day-light, when, presto, up dashed the Fire Chief and his dependable crew seeking the location of the blaze. The fire bell would never have told but some one else did, whereupon the boys admitted it was their idea of a Fourth of July joke. The firemen who had been routed from their beds and had run pell mell to a supposed fire, failed to see the joke with the result that City Marshal Albertson was appealed to and the three patriots hailed before Justice Small, charged with violating a city ordinance. The arch conspirator plead guilty to the act of actually ringing the bell as did his aides and the Judge made the following example of them:

For ringing one bell ------- $15.00
For being a party to it ------ 5.00
For being another party to it - 5.00
Total ------------------- $25.00

One of the young men explained to the Court that his work was very tire-some and he therefore was in search of novel experience.

Another one of the guilty ones said he was in love and could hardly wait for the wedding bells to ring out which accounted for his joy at hearing any old bell.

The third co-conspirator said he was getting a line on something new every day and it was just in his make-up to be joyous on the national holiday. Excuses and explanations being in vain, the trio cheerfully paid their fines and went their way. "Never mind, it was a grand and glorious feeling to hear that fire bell" say the boys, but they are unanimous in declaring that they will never be caught at it again.

ALL PLANS COMPLETE FOR U.O.R.M. CONVENTION

At an enthusiastic meeting of the U. O. R. M. convention committee on last Sunday at the Rehaag home, the members reported plans rapidly maturing for the reception and entertainment of the delegates during their official visit to Sonoma July 30th to August 4th.

The city will be illuminated, the electric light poles decorated with garlands and flags and Sonoma business houses will also be in gala attire. The contract for the electric bell which will be hung over the intersection of Broadway and Napa street has been let.

The music committee reported that Maerilla's orchestra had been engaged for convention week.

Following the business meeting of the committees, the birthdays of two prominent Redmen, Henry Heuer, and B. Schrempff, were celebrated. The gentlemen were presented with tokens of the strong bond of friendship existing between them and their fellow members. F. Muller made the presentation speech with great emotion.

Afterwards the party was continued at the B. Schrempff home, where various games were played and fireworks and refreshments were enjoyed

PHILLIPS FILES REPORT

Estates valued at $13,283.16 were handled by Frank H. Phillips as public administrator for Sonoma county during the past six months, his semi-annual report, filed in the county clerk's office, indicates.

Sixteen estates came under the custody of the public administrator during that period.

JUDGE JUSTI MARRIES COUPLE AT HIGH SCHOOL

Judge Leopold Justi, Sonoma Valley's marrying magistrate, is getting such a reputation for tying successful matrimonial knots that a popular Oakland couple came to Sonoma county last week, secured their license from smiling County Clerk W. W. Felt, Jr., got his blessing and then proceeded to Glen Ellen to look up Judge Justi. When they arrived at the rustic home of His Honor they were disappointed to hear that the Judge was out—attending a High School trustees meeting in Sonoma—for be it known that the Judge is also a High School trustee. Determined to start their honeymoon in the Valley of the Moon, Mr. Forester and his fiancee, Miss Scott, came to town and sought out the magistrate at the High School building. The party all being agreeable to a ceremony then and there, Judge Justi united the happy lovers in one of the class rooms, graduating them into the married class with neatness and dispatch.

Mr. and Mrs. Forester were more than pleased with the courtesy shown them and were quite proud to know that it was the first time that wedding bells had ever rung out in the Sonoma High School building.

NEW TEACHERS FOR EL VERANO DISTRICT

Mrs. Baker, late of the Todd District in Sonoma county is coming to Sonoma Valley to be principal of the El Verano school. Miss Lottie Howard, late of Flowery District, will also be one of the El Verano faculty the coming term. The third teacher is Mrs. Butner, who taught there last term.

The El Verano school is a thriving one and the district has a Parent-Teachers Association.

PARTRIDGES HERE FOR FOURTH OF JULY

Mr. and Mrs. Partridge and son of San Francisco have been spending the holiday week at their beautiful ranch near El Verano. The Partridges are enthusiastic over the new Golden Gate Ferry service which they now patronize exclusively and declare it will do a great deal to build up this section of the state. While ardent motorists, the Partridges are great lovers of fine horses, particularly Mrs. Partridge, who for years drove her own team in Golden Gate park. She is now raising and will have broken a thoroughbred two year old which is the pet of the El Verano ranch.

BOB MADISON ANNOUNCES CANDIDACY FOR ASSESSOR

Robert Madison, known to Sonoma county as Assemblyman Bob Madison, announces his candidacy for the office of county assessor, his political card appearing in another column of this issue.

Mr. Madison is a business man of broad calibre, with the courage of his convictions and has countless friends in every part of the county. That Bob is liable to turn the trick on all the other candidates for the job is quite likely as he as clever at the political game as at legerdermain. Madison has frequently appeared here in Sonoma Valley at entertainments where he gave sleight of hand performances. He is prominent fraternally.

VISITOR HERE DIES SUDDENLY

You may increase your engine power 20%

Too heavy an oil, or one lacking in certain qualities, may reduce the power delivered to the wheels of the automobile as much as 20%.

The ideal oil is the thinnest oil which will keep the bearing surfaces of the mechanism separated.

Providing this oil has "oiliness," stability and purity, it will give perfect lubrication, and permit the development of the maximum power, speed and gasoline mileage of the car.

"Oiliness" — Stability — Purity

Zerolene meets the conditions perfectly. It has great "oiliness," due to the crudes from which it is made, and our own patented process of high vacuum distillation.

It has great stability, as a result of which it resists engine heat and forms only a minimum of carbon of a soft, flaky nature which blows out with the exhaust.

And it is pure. This company has always considered the removal of all detrimental properties and compounds as essential in making Zerolene.

Zerolene of the correct grade gives perfect lubrication and permits the development of the maximum power, speed and gasoline mileage of the car.

"DRY" CONGRESSMAN'S OPINION OF "WET" SHIPS

By Charles H. Randall, Prohibition Congressman.

A blush of shame must have come to law respecting citizens when the expose of the United States Shipping Board in openly disregarding the constitution was made. In contempt of the law and of the decisions of the legal department of the government that the flag carried at the masthead of our ships denotes that those are vessels to be recognized as American territory the world over, it is humiliating to every right thinking man and women to read of the defiant attitude of this agency of the government. But what better might be expected of the Abraham Laskers and Meyer Lissners who seem to be running our shipping board under appointment of the president? That they should rely upon the frazzled argument that no Americans are sober enough to be expected to travel on a dry ship is to be expected.

The hotel keepers of the United States also thought they would be ruined if prohibition came, but they are now unanimous in saying the new law has helped their business instead of injuring it. The hotel industry was never so prosperous as now. When I speak of hotel people, I use the term literally, and am not to be understood as referring to bawdy house keepers using the nom de plume hotel.

But the shipping board fiasco is a sad story, anyway. It is a gigantic propaganda factory intended to demonstrate the failure of government ownership and operation of ships. Its management has never been in the hands of men whose personal desire was to see success for the scheme. In most cases these managers were borrowed from private shipping interests, and it is not a wild stretch of of imagination to think they may have chuckled with glee over safely piloting the government ships onto the rocks of financial distress. This is one of the greatest bunko games ever worked upon an indulgent and indifferent American pulbic.

MISS STEIMAN TO WED ISRAEL SHAINSKY

Miss Helen Steiman, a graduate of Sonoma's high school and daughter of prominent farmers of the Schellville district, is to become the bride of Israel Shainsky, son of her father's partner, at an elaborate wedding ceremony on Sunday, July 16th.

The marriage license was secured this week in Santa Rosa, but as the prospective groom's mother is in Mexico and cannot get here for the wedding sooner than next week, the wedding has been scheduled for a week from tomorrow.

The bride-to-be is a popular and charming young lady and her fiance is highly regarded by all who know him.

CANDIDATE GOODMAN HERE FROM HEALDSBURG

J. Willis Goodman, one of Healdsburg's candidates for the office of assessor of Sonoma county, was a visitor to Sonoma Valley last Saturday. He is a leading farmer of that section where he has resided many years. His father settled in Windsor in early days and voted for Lincoln while residing in the precinct where he continued to cast his ballot for a decade. Mr. Goodman once ran against the late Frank Dowd for the assessor's job but conceded Dowd's election long before the fight was won.

Now, at the behest of many old friends, he has decided to campaign again for the office. He visited many acquaintances while down this way and among them L. M. Bish of Madrone, who introduced him to a number of voters while here. It is rumored that in the event of Goodman's election that Bish's son, Meryl Bish, will be a deputy assessor.

HIGHWAY RIGHTS OF WAY TO BE ARBITRATED

Forty-three owners of property desired for rights of way on the Schellville-Santa Rosa state highway have agreed to arbitrate the fixing of damages.

The arbitrators are to file their report with the supervisors on or before July 24.

CARRUTHERS PLANS SHORTHORN AUCTION

W. M. Carruthers, owner of Carruthers Farms, Live Oaks, will sell about 50 head of registered Shorthorns at a public sale on the farm on Wednesday, August 9th. In this sale Carruthers will almost realize an ambition of years to make a sale composed entirely of Shorthorns of his own breeding, as every animal in the sale, with possibly four or five exceptions, was calved on Carruthers Farms.

Except a few of the youngest heifer calves all of the heifers in the herd will be sold, about 30 in number, mostly straight Scotch pedigrees and including several of show quality. In addition, there will be sold about 10 good cows and about 10 bulls, at least half of the latter ready for service.

The sale will be managed by the California Breeders Sales and Pedigree Company of Sacramento, with Ben A. Rhoades of Los Angeles on the auctioneer's block.—The Sacramento Bee.

We Extend Our Thanks

Hundreds of motorists, residents in or about Sonoma and visitors to this center, have called for service at the new red, white and blue Standard Oil Service Station on Napa Street near First Street West since its opening about June 5th.

This patronage proves the correctness of our judgment that Sonoma would appreciate the completely equipped metropolitan service of this station.

We take this opportunity to express our thanks for the support so given, and we look forward with much pleasure to the maintenance and expansion of the relations of confidence and neighborliness, now so pleasantly established with the motoring fraternity.
